Water Service Interruption

Dear Main Street Customers,

I am writing to let you know that your water service will be interrupted on Monday, September 19, 2016 starting at 9:30am. We hope to have service restored by 3pm the same day.

We had a water main break on our old 4" service line yesterday. We didn't want to shut off water on a busy weekend, but must do so today.

We do know that this shutdown will cause problems. We are sorry for any inconvenience this will cause.

The water will be brown at times and district personnel will flush lines to minimize this condition.

Please check the Town Website at www.townofrosendale.com for updates or call 658-8718 or 658-3159.

**Terry Johnson
Superintendent**
