The Town of Rosendale Chief of Police has made a formal recommendation for a reduction in the speed limit on State Route 32 within the Town of Rosendale, specifically in the area beginning at the intersection of State Route 32 and Grove Street to Madeline Lane. Given the significant increase in both vehicular and pedestrian traffic in this area he is proposing that the speed limit be reduced from 55 mph to 40 mph to enhance public safety and mitigate potential hazards; and additionally the Chief has recommended that the speed limit on State Route 32 from Madeline Lane through Washington Avenue and the Fann's Plaza be further reduced to 30 mph to ensure the safety of residents and businesses operating in that corridor. The speed limit should then be increased to 40 mph before gradually returning to 55 mph at Cornell Street. Town Board of the Town of Rosendale

directs the Town Clerk to send this resolution and letter to New York State Department of Transportation Deputy Regional Director Nikhil Natarajan, Ulster County Transportation Council, Senator Michelle Hinchey and Assemblywoman Sarahana Shrestha to request a reduced speed limit of 40 mph and 30 mph, 2nd by Councilman Cassidy.
